

Information	Images
<p>Organization: 15mx15m area. Each player has a soccer ball.</p> <p>Procedure: Players dribble inside the beach. Players must react as fast as they can. If the coach calls out "stop", the players use the sole of their foot to stop the ball and freeze as a statue. If the coach calls out "turn" players react by changing direction. Players aim to avoid bumping in to one another.</p>	<p>© Copyright www.academysoccercoach.co.uk 2014</p>
<p>Organization: Each player has a ball in the 15m x15m area</p> <p>Procedure: Players dribble inside the beach. (outside the beach is water, players are asked to use their imagination) Players must react as fast as they can. If the coach calls out "stop", the players use the sole of their foot to stop the ball and freeze as a statue. When the coach calls "palm trees" the players have to pass their ball against the cones "palm trees" and knock them over. Every time they knock a palm tree over they score 1 point.</p> <p>- If the coach calls out "dive" the players pick up their ball and dive into the water to go swimming.</p>	<p>© Copyright www.academysoccercoach.co.uk 2014</p>
<p>Organization: All players dribble around on the beach.</p> <p>Procedure: 1 player at a time is selected to become the "Pirate". When the coach says go the Pirate comes on to the beach and attempts to tag the players. If a player is tagged they must stand with their legs apart, holding the soccer ball and their head shouting, Help help the Pirate got me!" to be freed a player who is dribbling crawls through the back of their legs. Each player gets to be the Pirate for 1 minute</p>	<p>© Copyright www.academysoccercoach.co.uk 2014</p>
<p>11v1 to a ball:</p> <p>Players play 1v1 to a ball. Player B players a pass through player As legs. Once the ball is played the game is live and players compete to hit the target ball with the game ball. Players compete for 2 minutes. Once a goal is scored players switch and restart the game.</p>	<p>© Copyright www.academysoccercoach.co.uk 2014</p>
